

**EL PASO FIRE DEPARTMENT
FIRE PREVENTION DIVISION**

**CLASS 'C' / THEATRICAL
FIREWORKS DISPLAY APPLICATION/PERMIT**

THIS APPLICATION MUST BE COMPLETED IN DETAIL AND FILED AS FOLLOWS:

The law requires that such application must be filed at least 10 days in advance of the date of the public display, however, in as much as the inspectors to whom the application for a permit is made must make an inspection as to whether or not the display will be hazardous to property or dangerous to any person before the permit can be granted, the application should be filed well in advance of the proposed date of the display so the inspectors will have sufficient time to make the inspection and the Fire Official will have sufficient time to process the application and issue the permit.

Display must be conducted in accordance with the El Paso City Code, the Insurance Code Articles 5.43-4, and the Fireworks Rules of the State of Texas. A separate application and fee will be required for each display.
